High School *Study Day* in preparation for Midterms

Prepare for midterm exams through a day packed with serious study. The schedule includes 6 hours of proctored, silent study. In addition, there will be a couple times of prayer and a hearty meal to sustain your energy.

- To sign up:** Email Ricky Ybarra at rybarra@tenley.org or Lucas Lopes at lopesjlucas@gmail.com
- Date:** Saturday, January 13th
- Place:** *Tenley Study Center*
- Time:** 10:15 am – 6 pm
- Cost:** \$10.00 (Cash or check payable to *Tenley Study Center*)
- What to bring:** Whatever materials you need to prepare for your exams. (As in all academic events at Tenley, a collared shirt and pants are required.)

A note regarding electronic devices: Preferably, electronic devices (smartphones, iPads, and the like) will be left at home. The reason for leaving these types of devices at home is to foster a tone of academic study—free from constant distraction. *Tenley* activities also want to foster camaraderie and friendship. Unfortunately, at times, electronic devices have the opposite effect—tending to isolate people and be an obstacle to conversation.

If you do bring one of these devices, the staff will collect them upon your arrival to Tenley. You will have access to them at one point during the day so you may respond to important messages or calls or coordinate pick up time. (Parents may contact their sons at any time by calling the center at 202 362 2419.)
